Books with a Beat

Join us this summer for fun, interactive experiences weaving reading instruction together with music. Singing games, rhythm instruments, creative movement and music listening will all take place in a way that supports reading instruction. Children will maintain reading skills, increase vocabulary and fluency with other children in a small class environment through practice with reading strategies and Dolch sight words.

Weekly meetings provide consistent reading instruction and coordinated home assignments. Word lists will be given each week as well as 5 leveled books for every child to read at home. Songs and instruments activities will be coordinated to expand vocabulary, increase discrimination of letter sounds and identification of sight words with a view towards fluent reading.

Class will meet on Wednesdays at Roguewood Elementary from 10:00 a.m.- 12:00 p.m. and is open to children who have completed kindergarten-2nd grade. Class dates are June 23, 30, July 7, 14, 21, and 28. Tuition is \$115. Instructors will be Tam LeFurge-McLeod and D'Anne Ibarra.

Thanks!
